

Leave Chelmsford via Wood Street (St Johns Hosp) and Galleywood Road. After passing through Galleywood, you will cross the A12, where the road now becomes the Stock Road. **After entering the edge of Stock village, Common Road is the first turning on the left. Stock Surgery is the third building on the left.**

Alternatively, you can reach Stock Road via the A12 'Chelmsford bypass' by taking the exit sign-posted Galleywood and Stock, and following in the direction for Stock/Billericay.
